### Just Visiting...

While we were in Atlanta and D.C. transitioning towards our NEXT 2-years in Queretaro, Mexico, we were so thankful that we got to meet with so many of you!!

## Praise & Prayer

- Rubi (a girl who Whitney taught piano, took English classes, and went on our winter retreat) this last month made a commitment to follow Jesus. She says that, even though her difficult family circumstances haven't changed, she feels joy because God is now a part of it! Yeah!
- Prayer for our team in the time of transition and our family as we continue to live out of suitcases for the next 4 months.

## Colombia...(not the South Carolina one, but the South American one)

- In early Feb. we went to a Colombian Island for our ITEAMS bi-annual Latin America conference
- It included talks on Christian ministry and suffering, as well as time for group prayer, innovative worship, snorkeling, and of course motorcycle tours!
- 2 - # of hours to drive around the island on a motorcycle
- 7 - # of countries represented there

### Gab

- Martin Macedo and other Mexicans (Sandy, Erik, Joel, Luis, and Chalio) are helping run the ministry while we are gone...please pray for them
- A University book club has started using Global Grounds for their meetings. They have found our ministry center to be a comfortable environment and we will have the opportunity to build relationships with the students.
