## North Point Community Church Cafe Business Team is Coming to Town! ... Why:

- To develop the K-fe (coffee house) business plan, and strategy to move towards a self-sustained model.
- To increase our publicity, level of professionalism, and operations.
- To be a place of excellence to reflect and honor God as well as making it look, feel and operate like a real cafe business.

## BIG THANK YOU! Thanks for all the...

- Phone calls
- Gifts for Micaiah
- Support over the break
- Personal visits
- You guys did such a good job demonstrating your support and encouragement for us when we were back and with a new baby! THANKS!

## English Classes

We have narrowed our focus in our English classes and are now only allowing university students to enroll in our classes. So far beginning in January over 50% of the students are non-believers!
